## Marsden V-150: A large, stainless steel wash-down veterinary scale

The **Marsden V-150** is a **large, high quality veterinary scale** which is **ideal for weighing large pets**. With a **large, stainless steel base** and **capacities of either 150kg or 300kg**, this scale is suitable for weighing anything from domestic cats to the largest of dogs!

### Suitable for most pets

A larger veterinary weighing scale without the premium price - that's the V-150. With its large, low profile base, the **V-150 is capable of weighing animals upto a capacity of 300kg**.

### Easy to use functions

The V-150 has been **designed for simple, accurate weighing**. There is a **large, clear LCD display** for the weight reading, and four function buttons, For **Tare** (to **remove unwanted weight** from the display) and **Hold** (to **stabilise the weight reading if the animal is moving on the scale**).

## Use it anywhere you need

An internal rechargeable battery means this scale can be used absolutely anywhere. An adaptor is also provided with the scale for charging and powering from the mains.

**Wheels and a handle** are fitted to the scale to make it easy to move around veterinary surgeries.

## Key features

- Stainless steel wipedown base
- Rechargeable battery
- Unit switchable between kg and lb
- Wheels and carry handle
- Tare and Hold functions
- Wall bracket for indicator
- Includes rubber mat

## Get peace of mind with a service contract

Like all Marsden vet scales, you can keep your V-150 **accurate and reliable for longer** with a **service contract**. For more information about service contracts please contact us.
